Re: Your Public Records Request Dated and Received March 1, 2013

Dear Ms. Westfall:

Your request, a copy of which I have enclosed, asks for a record consisting of "all addresses for all current sewer users located in the city and the county".

The City has determined that this request is subject to Government Code Section 6254.16, a copy of which I have enclosed for your convenience. My reading of Section 6254.16 is that the addresses you are requesting are not public records.

Section 6254.16 does recite criteria that would make the addresses public records. Upon a showing to bring the addresses under one of those criteria, we will gladly consider a renewed request.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert N. Black".

6254.15. Nothing in this chapter shall be construed to require the disclosure of records that are any of the following: corporate financial records, corporate proprietary information including trade secrets, and information relating to siting within the state furnished to a government agency by a private company for the purpose of permitting the agency to work with the company in retaining, locating, or expanding a facility within California. The agency shall delete, prior to disclosure to the public, information that is exempt pursuant to this section from any record describing state or local incentives offered by an agency to a private business to retain, locate, relocate, or expand the business within California.
