Re: Your Public Records Request Received March 18, 2013

Ms. Westfall:

This letter is in response to your letter dated March 17, 2013 where you request "to meet with Eric Wier to go over reports by Stover Engineering, Kennedy Jenks and Brown & Caldwell on the 11.8% expansion figure." In a previous letter, Mr. Black explained that there are no "reports" by the three engineering firms.

Over the years, City staff has spent a number hours with you, Mr. Nunn, and others discussing and reviewing the 11.8% expansion figure. As City Manager, I am declining Mr. Wier's time to engage in another meeting to discuss this topic.

Sincerely,

Eugene M. Palazzo  
City Manager
